

Receive up to \$1,000/migrant housing unit for:

Purchase of devices such as hotspots, routers, modems and antennas
Set up fees • Service payments

BENEFITS:

- Easier to communicate with farmworkers about outbreaks and emergencies
- Farmworkers have:
 - Immediate access to telemedicine resulting in early detections, less exposure and less missed time from work.

- Access to healthcare resources and health information
- Access to English as second language (ESL) classes and other educational opportunities
- Ability to connect with family and friends decreasing feelings of isolation and loneliness

For internet connectivity solutions*, contact:

Natalie Rivera natalie.rivera@dhhs.nc.gov

*CONSULT RECOMMENDED FOR FARMS HAVING MORE THAN 20 WORKERS IN ONE LOCATION.

To apply for reimbursement, contact the NC Agromedicine Institute: Robin Tutor Marcom
