RALEIGH, NORTH CAROLINA

Chapter 7
Subchapter 7F
NC-OSH

CFR Revision 122

Field Information System Part I
Incorporation of General Industry
Safety and Health Standards Applicable to
Construction Work and Technical Amendments; Final Rules

DISCUSSION:

On June 30, 1993, Federal OSHA incorporated the regulatory text of the General Industry Safety and Health Standards (Part 1910) that has been identified as applicable to construction work into the Safety and Health Regulations for Construction (Part 1926). Federal OSHA prepared this document in response to the need for uniform enforcement information. Additionally, this action will assist employers and employees in obtaining more up-to-date information on their construction safety and health obligations.

ACTION:

This amendment was adopted verbatim in North Carolina by the Commissioner of Labor with an effective date of December 1, 1993. A copy of the [Federal Register](#) (Vol. 58, No. 124) announcement is attached. Please file this NC-CFR amendment in Part 1 of your Field Information System.
