

**North Carolina Department of Labor  
Occupational Safety & Health Division**

**Raleigh, NC**

Chapter 7  
Subchapter 7F

CFR Revision 187E

**Field Information System  
Occupational Exposure to Beryllium and Beryllium Compounds  
29 CFR Parts 1915 and 1926**

**Final Rule**

**A. Discussion:**

On August 31, 2020, the Occupational Safety and Health Administration (OSHA) published a final rule that amends the existing shipyard and construction standards for occupational exposure to beryllium and beryllium compounds to clarify certain provisions and simplify or improve compliance. The revisions in this final rule do not affect the general industry beryllium standard.

**B. Action:**

The N.C. Commissioner of Labor adopted this rule with an effective date of February 1, 2021. Reference the [August 31, 2020 Federal Register \(Volume 85, No. 169\)](#) for the details related to these requirements.
