Receive up to $1,000/migrant housing unit for:

• Purchase of devices such as hotspots, routers, modems and antennas
  • Set up fees • Service payments

WiFi HOTSPOT

BENEFITS:

• Easier to communicate with farmworkers about outbreaks and emergencies

• Farmworkers have:
  ▶ Immediate access to telemedicine resulting in early detections, less exposure and less missed time from work.
  ▶ Access to healthcare resources and health information
  ▶ Access to English as second language (ESL) classes and other educational opportunities
  ▶ Ability to connect with family and friends decreasing feelings of isolation and loneliness

For internet connectivity solutions*, contact:
Natalie Rivera natalie.rivera@dhhs.nc.gov

*CONSULT RECOMMENDED FOR FARMS HAVING MORE THAN 20 WORKERS IN ONE LOCATION.
